PROMOTE BUILDINGS + SITES

Attract investment to your community with real estate listing and promotion programs from the Oklahoma Department of Commerce.

Site selectors and corporate real estate professionals use these tools to identify buildings and sites for expansions or new investment in Oklahoma. Commerce provides detailed, site-specific information on properties, available for purchase or lease, including proximity to major transportation routes, area labor force statistics, utilities, demographics, infrastructure, and business incentives.

LOCATEOK

LocateOK.com lists available buildings and sites across Oklahoma. Communities and real estate professionals should ensure their properties have a full and complete listing on the site.

List your community's office, retail, and industrial buildings along with available land at no cost.

Contact Lesli Crofford at 405-815-5120 or lesli.crofford@okcommerce.gov to list your community's available properties today.

SITE READY PROGRAM

Oklahoma Site Ready certification helps you meet the demand for project-ready sites and provides a competitive advantage over other properties. This can translate to economic growth and job opportunities for your community.

To earn Site Ready certification, site owners and/or community leaders must complete an application. There are eight site categories for certification, each with unique requirements.

Please carefully review the profile, overview, and requirements for your industry selection in the table below.

Industry Category	Profile	Overview	Requirement
Aerospace	Aerospace Site Profile	Aerospace Overview	Aerospace Requirements
Business Services	Business Services Site Profile	Business Services Overview	Business Services Requirements
Heavy Industrial	Heavy Industrial Site Profile	Heavy Industrial Overview	Heavy Industrial Requirements
Light Industrial	Light Industrial Profile	Light Industrial Overview	Light Industrial Requirements
Mega Park	Mega Park Profile	Mega Overview	Mega Requirements
Research & Development	Research & Development Profile	Research & Development Overview	Research & Development Requirements
Warehouse	Warehouse & Distribution Site Profile	Warehouse Overview	Warehouse Requirements

SITE READY APPLICATION PROCESS

An objective third party verifies applications and ensures sites meet program requirements.

This is a one-time application fee of \$1,000 per site.

Commerce provides site selectors with detailed, site-specific information on available properties on Locateok.com. Oklahoma Site Ready Certified sites are prominently displayed and highlighted throughout the website.
